AGREEMENT OF TREATMENT EXPECTATIONS AND MEDICAL HOME RESPONSIBILITIES

This is an agreement between two parties: the Health Center and the Patient.

The purpose of this document is a positive one. It attempts to make the clear rights and responsibilities of both parties. Is says *who* is to do *what*.

A medical home is a care team working to provide you with the best care possible. We want to include you in making health care decisions. We will help you coordinate your care with providers outside of Lifecare when needed. We offer clinical advice during and after hours along with early morning appointments.

We promise to treat you to the best of our abilities, consistent with the standards of care in our community. You, in turn promise to be as understanding, cooperative, and responsible as possible.

This Health Center has a zero tolerance for violence or threat of violence of any kind. Therefore, there will not be any attempt or threat to kick, hit, or otherwise harm any staff member, patient, or visitors. Furthermore, neither party will yell or use profanity when addressing any staff member, patient, or visitors.

I have read (or have had read to me) the "Agreement of treatment Expectations" and fully understand its contents. I have been given an opportunity to ask questions. Any violation of this agreement may result in permanent dismissal from the office.
